

# Snack Bag Recipe

## Snack bag items can be placed into a heavy duty Ziploc bag.

Our parents are busy bees! During the day, our moms and dads are out searching for housing, going to appointments, and getting things done! Kids that are not in school yet are part of this daily journey, so it is great for moms to have snacks available for their kids when they are out and about for the day! For kids who are in school, we can hand these off to parents to give their kiddos an after school snack!

- Granola bar
- Fruit snacks
- Bottle of water
  - Crackers
- Bag of chips
- Cleaning wipes
  - Juice box
