

Toiletry Tote Recipe

Toiletries can be placed into a small plastic tote or in a heavy duty Ziploc bag. Clear totes are helpful for staff to determine what is inside for easy distribution. These totes can be made for males, females, or kids! Below are some items you can include in your tote!

- Shampoo and conditioner
- Razors
- Deodorant
- Facial wipes
- Nail clippers and tweezers
- Soap and/or body wash
- Q tips
- Comb and/or brush
- Toothpaste
- Toothbrushes
- Feminine hygiene items
- Lotion
- Shaving cream

This tote calls for everyday items that are often given to our families right when they first come to Family Promise. Having new personal care items allows our families to feel a little more comfortable while staying in shelter. It is empowering to our parents to be able to have their items right when they first arrive in shelter so they don't have to ask for these items every time they need something.
