

Partners in Housing Sponsor Form

With a shortfall of affordable housing in our community, there's a real need to supply permanent housing for families who are homeless.

For \$10,000, Family Promise- Partners in Housing program is restoring manufactured homes so they become affordable places where families can be proud to live, and families only have to pay lot rent, which is on average \$450 a month. Once a family settles into their new home and becomes self-sufficient, they receive the title to their home. This opportunity takes a family out of homelessness into homeownership in as little as nine months.
