ENDING HOMELESSNESS... ONE FAMILY AT A TIME

Toy Box Recipe

What kid doesn't love toys?
This recipe provides the children with age appropriate toys for their new home.

Inside or outside toys are a wonderful addition and a great gift for our kids. When a child enters shelter, they may have one special toy with them, but many times toys are left behind. This recipe gives the kids something to do when they move into their new home, especially during the summer months when there is no school!
