

## 19th Annual Changing the Course for Children

Family Promise provides emergency shelter to families with children who are homeless and assists them in finding a new home.

Family homelessness is becoming more prevalent in our community. Most of the families we talk with are just like ours, but they haven't been able to overcome a difficult situation. That's where you can help! By working with each family to find a new home we are helping provide a bright future for every child.
